

ES226GC-P
26-PORT GIGABIT
SMART POE SWITCH
 CLOUD MANAGED

Manage your surveillance system. Anytime. Anywhere

A cost-effective, cloud managed solution, the Ruijie Reyee ES226GC-P 26-Port Managed PoE Switch, 24x Gigabit PoE, 2x SFP, 370W supports port status display, port traffic statistics, PoE port output power status, port duplex/negotiation rate configuration, flow control configuration, and PoE output on/off.

- Supports full-power PoE output, to ensure all cameras can be powered simultaneously when connected to the switch, at maximum capacity
- In addition, this switch provides simple and easy-to-use management features, while offering plug and play with default factory configuration
- Easy to find surveillance network faults, initiate PoE port restart, perform VLAN configuration, etc.
- Ruijie Cloud app and Ruijie Cloud platform remote management is also supported, making the operation and maintenance of the surveillance network easier and more convenient, while reducing operation and maintenance costs
- Supports port mirroring, loop protection, cable detection

Specifications

10/100/1000Base-T Ports	24
1000Base-X SFP Ports	2
PoE/PoE+ Ports	24
Max. PoE Budget	370W
Layer Type	Layer 2

Switching Capacity	52Gbps
Forwarding Rate	38.69Mpps
Packet Buffer	4.1Mbit
MAC Address Table	8000
Maximum VLAN Support	16

Dimensions (WxDxH) mm	440x289x43.6
Weight (With packaging)	4.2kg
MTBF	> 200,000
Warranty	3 Years
