

Fixed, Tilt/Swivel & Full Motion TV Brackets

The new range of DOSS TV mounts offers a comprehensive selection of mounting solutions designed to suit screens from compact sizes to large displays up to 100". The range includes fixed wall mounts for a clean, low profile finish, tilt mounts that allow for improved viewing angles, and full motion arms that provide enhanced flexibility for positioning. Built to accommodate a wide variety of VESA mounting patterns and weight requirements, these mounts are engineered for strength, reliability, and ease of installation. Ideal for home theatre setups, boardrooms, retail displays, classrooms, and commercial fit-outs.

All new models come with an industry leading **10 Year Warranty**, included spirit level for professional installation, mounting hardware, and assembly instructions.
