## FEATURES

Google TV smart TVs and streaming devices bring together everything you stream on one screen. So you can find what to watch without jumping from app to app.

Personal Google Assistant is always ready to help.

A global online store to find, enjoy, and share your favourite apps, games, movies, music, and books on all your favourite devices.

## NETFLIX

Watch thousands of TV shows, movies, and Netflix original programming on your TV.

See what the world is watching, the hottest music videos, news and more.

Enjoy thousands of online streaming videos with Amazon Prime Video.

Cast your favourite entertainment content from your Android or iOS device.

## ROM(8GB)

The 8GB of ROM stores more content and which supports a very fluent operation.

High-dynamic-range video. Key feature of HDR video are brighter whites, deeper blacks, and at least a 10-bit colour depth.

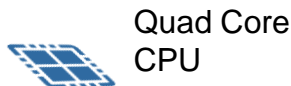

Dolby Audio uses advanced processing technology to create a dynamic audio experience.

Picture or video occupies the whole TV screen. The picture seems bigger than regular televisions.

## Personalized entertainment

With personal profiles, discover new favorites with recommendations just for you. Save shows and movies to your personal watchlist. Create a space for kids that's all their own, with watch limits, bedtimes and more.

The powerful quad core A55 enables smoother and more stable images to improve the users viewing experience.

HLG is designed for broadcast cable, satellite and live TV. It uses multiple routes to progress picture quality and produce vivid images.

## GPU

Graphics Processing Unit: Mail G31 image processing has 2 cores which makes transmission faster. The result is superb images.

## Dual-band Wi-Fi

2.4GHz/5GHz dual-band Wi-Fi is available, your CHiQ TV can connect to either the 2.4 or 5 GHz networks.

Superior sound enhancement from the TV-audio experts.

## Bluetooth 5.0

Bluetooth 5.0 can transmit eight times more data, at twice the speed, across four times the range than Bluetooth 4.2.
