# ToughLink USB 4.0 USB-C Cable

## Features

The mbeat Tough Link USB 4.0 USB-C Cable offers rugged durability, high-performance connectivity, and cutting-edge USB4 compatibility, making it the perfect choice for users seeking reliable connectivity solutions. Compatible with a wide range of devices and applications, this cable delivers exceptional performance for fast data transmission, computing applications like SSD storage, high-performance video display, and fast charging on the go.

**High-Performance Connectivity:** Supporting 8K ultra-high-resolution video display, 240W USB-C PD charging pass-through, and lightning-fast 40Gbps data transfer speeds, this cable delivers top-tier performance for tasks ranging from multimedia streaming to high-speed data transfer and powerful charging.

**Cutting-Edge USB4 Compatibility:** Step into the future with USB4 standard compatibility, offering up to 40Gbps of bandwidth, 8K video support, and 240W charging capability. Enjoy unmatched data transfer speeds and seamless connectivity for next-generation USB-C enabled devices and applications.

**Versatile Compatibility:** Compatible with a wide range of devices, including iPad Pro and MacBook Pro, this cable maintains backward compatibility with older USB 3.1, 3.2, and 2.0 standards, as well as Thunderbolt 3 and 4. Connect effortlessly across various platforms and devices for ultimate convenience.

**Enhanced Multimedia Experience:** Take your multimedia experience to the next level with 8K DP Alt Mode support, enabling high-resolution and high-refresh-rate video output. Connect your USB-C 4.0/TB3/TB4 devices to USB-C enabled monitors or docking stations for immersive video display and fast charging on the go.

**Rugged Durability:** Constructed from sturdy aluminium alloy, the mbeat Tough Link USB 4.0 USB-C Cable is built to withstand daily wear and tear, ensuring long-lasting reliability for all your connectivity needs.

## Specifications

- **USB Version:** USB-C 4.0
- **Connector Type:** USB-C male to USB-C male
- **Data Transfer Rate:** Maximum 40Gbps
- **Video Resolution:** Maximum 8K/60Hz
- **PD Pass Through Charging:** Maximum 48V, 5A/240W
- **Material:** Aluminium Housing, TPE cable
- **Compatibility:** Compatible with a wide range of devices, including iPad Pro and MacBook Pro, this cable maintains backward compatibility with older USB 3.1, 3.2, and 2.0 standards, as well as Thunderbolt 3 and 4. Connect effortlessly across various platforms and devices for ultimate convenience.
- **Cable Length:** 1.0m
- **Product Weight:** 60g
- **Package Dimensions:** 19cm × 12cm × 2.4cm
- **Package Weight:** 85g
