Freestyle Adjustment

178cm Height Range

4.7"~12.9" Smartphone & Tablet

Stream/Record/Display Hands-Free

Lightweight & Portable

Features

Portable Tablet Tripod

A foldable, lightweight, easy-to-use height-adjustable tripod with integrated tablet/phone holder for viewing your device at a tailored display height, suitable for tablet display, streaming/recording, music note stand, etc.

Universal Compatibility

Featuring rubber padded self-closing clamps that holds your devices securely, with screen size measuring between 4.7" to 12.9", from your mobile to your tablet, up to 1KG in weight.

Highly Extendable

Unfold and extend up to a maximum height of 178cm while remaining stable for phone/tablet use, with adjustable view angles for an optimal viewing experience for anyone.

Freestyle Adjustments

90 degrees adjustable view angle with an integrated ball-joint design allowing you to turn, tilt, swivel and rotate your device in any orientation you need.

Sleek and Durable

Fully foldable with lightweight aluminium construction and reinforced joints; take the tripod anywhere and reposition how you see fit, and easily store away in compact folded form.
